## **Policy Document for the Divyangjan**

As per the guidelines given by the UGC dated on 14<sup>th</sup> January 2019 ,the college adopts every possible measure to provide ease and comfort to the divyangjans.As per the Disabilities Act 1995, the colleges are supposed to provide special arrangements on the campus for the differently- abled students.The act explains the infrastructural arrangements to be made for being disabled-friendly. The Institution plans to develop its future infrastructure as per the guidelines given by the UGC .It also ensures that the infrastructure includes special arrangements like ramps, special toilers and other facilities to make the disabled students feel independent on the campus.

With an objective to practice inclusive culture and avoid any discrimination, exploitation and exclusion of disable students from all spheres of work and education, the college has a policy for Divyangjan. At present, the college has only visually–challenged students. It has been felt that these students need special arrangements for their mobility on the campus and ease in pursuing their studies.

- The Institution makes arrangements of extra coaching for the visually challenged students.
- The college has ramp facility for girls in the women hostel.

- Rails alongside the stair case are arranged to support the visually challenged students in getting access to the classroom.
- The examination section follows the guidelines issued by the university and UGC in allotting extra time and scribes to these students.
- JAWS open source software and NVDA (Non Visual Desktop Access) software are available in the library that assist these students in smooth learning process.
- Talking CDs are available in the library.
- 1 TB hard disk full of study material is available in the library.
- The library has 40 books in braille script for these students.
- The Institution takes every care to make learning a smooth process for the visually challenged students.
